

Hide My Profile Messages

To hide the navigation:

My Profile > Messages

For all users:

1. This is set by the configuration value `messaging`
 2. You can either update the value of this in the database (`mdl_config`) from `1` to `0` OR you can add an entry in `config.php` where you set `$CFG->messaging = 0;` . Alternatively you can use the [Site Configuration CLI tool](#)
 3. Clear the moodle cache
